

WHATEVER THE JOB, WE ARE THE SOLUTION

At ELECTROCORR ENGINEERING SDN. BHD., we've been doing what we do for a long time, and we're very good at it. With experience comes speed and efficiency. We'll assess your Cathodic Protection and Corrosion Control needs quickly and come up with a thorough solution in a reasonable time frame. Our skilled Corrosion personnel then get in and out again with maximum efficiency and minimal disruption and although we work quickly, we never compromise on quality. Before you know it, you'll be enjoying exactly what you wished for.

WE ARE FULLY TRAINED TO FULLY SATISFY YOUR NEEDS

At ELECTROCORR ENGINEERING SDN. BHD., we are experts at what we do. We have many years of experience providing creative and efficient cathodic protection and corrosion control solutions to satisfied customers. Our professional team is fully trained and willing to share a wealth of knowledge accumulated from many years on the job, doing the job excellently. There is very little that we haven't seen over the course of many careers, and we are eager to share our vision, savvy and know-how with you. For absolute confidence, put your project in expert hand. Trust ELECTROCORR ENGINEERING SDN. BHD.

FIELD OF EXPERTISE

Cathodic Protection . Protective Coating . Coating Inspection . Blasting & Painting . Pipeline coating repair . Pipeline Wrapping using STOPAQ . Electrical . Verification Dig-up . Pipeline Rehabilitation . Composite repair . ER Probe . Retrieval tool . Pipeline Corrosion Survey . ECDA . ICDA . Stray Current . Mitigation

EXCEPTIONAL SERVICE IS SIMPLY A CLICK AWAY

If you want to find out more about our company and what we do, our website is a good place to start. Convenient, secure and simple to use, you can keep up to date with our services, search our inventory and check availability throughout the year. Back at ELECTROCORR ENGINEERING SDN. BHD., our team is ready, willing and able to provide just what you want, as you want it. And of course, our site backed up by our dedicated customer support, so we're always informed.

THE CORROSION SPECIALIST

INNOVATIVE SOLUTIONS TO
CATHODIC PROTECTION AND CORROSION
CONTROL, PROTECTIVE COATING, PIPELINE
MAINTENANCE, CORROSION MONITORING
SERVICES, PIPELINE CORROSION INSPECTION

CP solutions that work for your PETROCHEMICAL PLANT, REFINERIES, POWER GENERATING STATIONS Applications

THE CORROSION SPECIALIST

LICENSES : PETRONAS, CIDB, SURUHANJAYA TENAGA, GAS MALAYSIA

ABOUT US

ELECTROCORR ENGINEERING SDN.BHD. (EESB), a fully owned Malaysia company operating since 2002 has grown with the needs of Cathodic Protection, Corrosion Survey and Corrosion Control with related products, solutions and services, EESB delivers complete aspects of CP ranging from initial design work and materials supply to installation and surveys complete our service range. We work on local and national projects. Our initial combined experience in the CP works led us to expand into new businesses for blasting & painting, piping coating repair (base on viscous-elastic technology) and pipeline rehabilitation works (composite repair solutions). We find ourselves more influential in projects with our electrical division packaging electrical grounding system and uninterrupted power supply (UPS) for a more competitive sales with our clients.

Managing Director - En. Zulkifli b Ahmad

A FINE ADDITION TO ANY ENGINEERING PROJECT

At ELECTROCORR ENGINEERING SDN. BHD., our Quality Policy is to observe at all times, the highest ethical standard for competent, prompt and competitive service in design and sales implementation that establishes ethical dealings with our clients.

At ELECTROCORR ENGINEERING SDN. BHD., our Safety Policy is to conduct its operations in a manner that will provide employees with a safe and healthy working environment. The employees are obligated to cooperate fully in meeting the goal of this policy, striving for a record of a zero accident.

At ELECTROCORR ENGINEERING SDN. BHD., we make a point of only recommending products, manufacturers and techniques that we know are going to last the distance. We have the highest possible standards for our work, meticulously keeping up to date with the latest developments at every product we recommend.

OUR SERVICES

APPLICATIONS:

Pipelines . Storage Tanks (AST) . Jetty Piles . Mounded Bullet Tanks . Power Generating Stations . Refineries . Petrochemical Plants . Water Tanks

SERVICES:

CATHODIC PROTECTION AND CORROSION CONTROL SOLUTIONS

- Cathodic Protection (CP)
 - ⇒ Impressed Current Cathodic Protection System (ICCP)
 - ⇒ Sacrificial Anode System
 - ⇒ Designs . Specifications . Installations
- Soil Resistivity Analysis
- Preconstruction Surveys
- Maintenance Surveys
- Troubleshooting & Repairs
- CP Evaluation

PROTECTIVE COATING, BLASTING & PAINTING

- Coating Inspection
- Blasting & Painting
- Pipeline Coating Repair
- Pipeline Wrapping using STOPAQ

ELECTRICAL WORKS

- Electrical Grounding System
- Uninterrupted Power Supply
- Electrical & instrumentation Works

PIPELINE MAINTENANCE & REPAIR

- Verification Dig-up
- Pipeline Rehabilitation
- Composite Repair

CORROSION MONITORING SERVICE

- ER Probe
- Retrieval Tool
- Corrosion Coupon

PIPELINE CORROSION SURVEY

- Close Interval Potential Survey (CIPS)
- Direct Current Voltage Gradient (DCVG)
- Pipeline Current Mapper (PCM)
- External Corrosion Direct Assessment (ECDA)
- Internal Corrosion Direct Assessment (ICDA)
- Stray Current & AC Interference Mitigation

AT ELECTROCORR ENGINEERING SDN. BHD., WE WILL DISCUSS YOUR PLANS AND GIVE YOU A COMPREHENSIVE QUOTE RIGHT FROM THE START
